

# ACTEA MEMBERSHIP

## Your Opportunities Explained!

### Organizational Partnership (\$2,500)

### Organizational Partnership

The Organizational Partnership, renewed annually, enhances what ACTEA offers each organization (BOCES, District, or LEA). As an ACTEA Organizational Partner you will have access to benefits not available with other memberships:

- Two ACTEA Leadership conference registrations with included conference meals. (room/travel not included)
- Eligible for Atlas Discount
- Eligible for one Atlas "Writer" Complimentary Trial (One year - one time)
- Student Awards
- Stakeholder Recognitions

### ACTEA Membership (State)

### Individual Membership \$60

The Association of Career and Technical Education Administrators (ACTEA) is a non-profit organization that consists of NYS CTE administrators.

ACTEA represents the needs and interests of CTE programs, staff and students; helps set standards and advocate for CTE, identifies and analyzes data with the State Education Department to determine student outcomes as well as request specific action from SED. ACTEA aids in setting instructional standards for all NYS approved CTE programs through on-going work in curriculum development. ACTEA also exists in order to maintain professional standards among educators involved in various aspects of Career and Technical Education in New York State.

### NYSACTE Membership (Division)

### Individual Membership \$35

Joining NYSACTE provides you an opportunity to be part of planning developing and influencing the future of CTE in New York State. It will insure that you are kept up to date on the latest developments at both the State and National level. In addition, NYSACTE provides opportunities for professional development and mentoring. Representatives from NYSED and NYSUT sit on our advisory board to ensure that our members are up to date and have a voice in on-going developments.

### ACTE Membership (National)

### Professional Membership \$80

Offers individuals actively engaged and employed in the CTE community a wealth of professional development and networking opportunities. Members in unified state associations are required to hold state and national ACTE membership simultaneously and benefit from involvement at both local and national levels.
